SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
LAW DEPARTMENT, BANGALORE

Sir

I have the honour to state that tenders for the supply of toll and market ticket books during the year 1941-42 were - called for and that the rate of Messrs Neelakanteswara Power Press, Bangalore, who had given their lowest quotation for the supply of 8192 books for Rs 607-9-0 was accepted by the Council on 7-6-1941

During the year 1941-42 the supply was received piece-meal, the total number of ticket books supplied for the year as a whole amounted to 8167 As per tender rate, the cost of these books amounts to Rs 605-12-0, but the firm has claimed Rs 1194-4-0 in all as detailed below -

		Rs	A	P
A	(1) Amount as per tendered rate	605	12	0
B	Extra rate			
	(2) 5867 ticket books on coloured paper 51 reams @ Rs 5/- per ream	255	0	0
	(3) 2,300 ticket books on tissue paper 23 reams @ 14-8-0 per ream	333	8	0
	Total (b)	588	8	0
	Total of (a) + (b)	1,194	4	0

i e , Rs 588-8-0 in exdess, owing to the abnormal rise in the price of tissue and coloured paper A copy of their representation dated 18-12-1941 in the matter is enclosed The question

question of paying the bills of the firm at the enhanced rate as prayed for by the firm was considered by the Managing Committee and Council at their meetings held on 9-4-1942 and 29-4-42 respectively They have approved of the payment of the bills at the rates claimed by the firm Copies of resolutions of Managing Committee and Municipal Council are herewith forwarded for favour of reference.

The Auditors insist upon the sanction of Government for payment in excess of the tender rates I request therefore that the sanction of Government may be obtained to the payment of Rs 588-8-0 in excess over the tendered rate to Messrs Neelakanteswara Press for the supply of market and toll ticket books during 1941-42

4) The observations made in connection with the claim of Messrs Viswananda Power Press, for enhancement of their tender amount (Vide reply to Un-official file No 30 dated 25-7-42) apply equally well to this case also But the claim by this Press for an enhancement by about 97% does not seem to be sustainable As in the other case an increase by 12½% of the tendered amount seems equitable and may compensate adequately any loss likely to be incurred by him on account of the rise in the cost of materials and the difficult working conditions

14/11 --- 8) The amount claimed by messrs Nilakuntamara Press, Bangalore for the supply of FM Journal Ticket books to the Bhoi etc M/Cl during 1 quarter is Rs 1194/4/- as against the tendered amount of Rs 605/12/- The Bhoi etc M/Cl have agreed to pay the amount demanded in view of the high price of paper & other electricity articles, owing to war. The excess is Rs 588/8/ and it works out to 97 percent increase. The Supdt Govt Printing considers that the claim for enhancement by 97% is not maintainable & that, as in the case of messrs Nilakuntamara Power Press who supplied miscellaneous forms & stationeries for 41-42 at an increase of 12½% over the tendered rate would be equitable in the circs of the case

9) This suggestion is however not in conformity with the opinion of the M/Cl & the registry of the Printing Press concerned. If however, it is accepted, it would create an enhancement precedent for orders of the M/Cl above may be informed of the opinion of the Supdt Govt Printing & his further remarks if any

Letter No A961 dated 18th December 1941 from Sree Neelakanteswara Printing Works, Bangalore City, to the Commissioner, Bangalore City Municipality, Bangalore

---

Ref - Your letter No R1 PR 114/40-41 re enhanced rates

With reference to your above letter asking us to let you know if permission was sought for using paper at an enhanced rate for execution of the printing of ticket books etc , supplied to you, I wish to state as follows -

We wrote to you more than once drawing your attention to the fact of the terrible rise in the cost of paper and we received no reply from you in the matter But, instead we got urgent demands for the ticket books and we had to purchase paper at the existing rates in the market, the best that any one could do under the circumstances

Secondly, the paper (rough newsprint) quoted to you by us at the commencement of the work having come under the Newsprint control Act we could not venture to use that paper for your work and render ourselves for prosecution under the Act We suppose you too would not have asked us to venture upon such a course, though it might have costed you a little less if that paper was used

As regards the Tissue paper the present cost is beyond reach of anybody not to speak of either ourselves or even a local body like yours

Under these circumstances we have done the best and what any shrewed businessman could have done to fulfill his obligation to his customer and to the best interest of the customer by obtaining the materials required at the lowest possible rate then available That the cost of paper is terrible in the market is an undeniable fact and even the Governments of not only Mysore but all over India were forced to take steps to control with the result the sort of paper quoted by us for your work at the commencement was out of our reach for reasons never due to our default

Even the Dewan of Mysore in one of his speeches has remarked that whatever be the rate of tenders originally quoted by the printers for supplies to the Government Departments, in view of the cost of paper, he has assured that a suitable increase in the rates would be allowed We think that assurarce is just and most opportune for none could be penalised for the rise in the cost of paper or any other material owing to causes that face the entire world

In view of this we trust you will appreciate our position and also the fact that we have done the best for you We hope you will please pass our bill with you at a very early date and help us to complete the remaining work and thus release the types locked up in your work

Govt consider that the
claim made by the Press for an
enhancement by Rs 550-8-0 over the tendered rate
~~27 per cent~~ which works out to an increase of 97 percent
to be unsustainable & that
an increase by 12½ Percent
over the tendered amount would
equitably cover the loss, estimated due to the rise in the
~~cost~~ Cost of materials
~~They~~ they are accordingly
pleased to sanction the
enhancement of the tendered
amount by 12½ per cent.
The bill may be revised accordingly & send to
